- adopted by the Board of studies of Chemistry.
1. The CBCS Syllabus prescribed by Utkal University for admission batch 2016-17 will remain intact.
 2. The CBCS syllabus prescribed by the Utkal University for Chemistry (Hons.) and Generic Elective (Chemistry) papers for session 2018-19 was adopted.
 3. The syllabus of skill enhancement course (SEC) was changed. The new topic "Modern Office Management" was introduced by the Utkal University and adopted for session 2017-18 and 2018-19. Further FLS for 1st sem and PCCA for 6th sem will be offered as Value added course.
 4. The names of Examiners for the semester Examinations (Theory and Practical) for session 2018-19 were finalised and the list was prepared and Submitted.
 5. The list of names for question setters and moderators for Chemistry was finalised and Submitted.
 6. It was resolved to add known nitrogen containing organic compounds in the CC-6 Organic Chemistry paper. (3rd Semester)

The practical paper for CC-6 3rd semester was modified and adopted as follows

1. Functional group test for alcohols, Phenol, Carbonyl, Carboxylic acid group, Amine, Nitro and Amide functional group.

2. Organic Preparations

(i) Acetylation of one of the following compounds amine (aniline, o, m, p, N, N-dimethyl aniline)

4. The names of examinees for the semester examination (Theory and Practical) for session 2018-2019 were changed and the final list was prepared and submitted.

5. The list of names for question setters and moderators for chemistry was finalised and submitted.

a) Using conventional method

b) Using green approach

ii) Benzoylation of amines and one of the following phenols

iii) Bromination of any one

a) Acetanilide by conventional method.

b) Acetanilide using green approach.

iv) Nitration of any one

a) Acetanilide / nitrobenzene by conventional method.

b) Salicylic acid by green approach.

7. Theorems related to Hermitian operator and its application was introduced in the **CC-12** paper of 5TH Semester Honours course.

There was only addition of "theorems related to Hermitian operator and its applications" other than there was no change in the **CC-12** paper.

8. Deduction or Removal of Average and most probable distances of electron from nucleus of **CC-12** paper of 5TH Semester.

9. Removal of preliminary treatments of separation of variables from **CC-12** paper of 5TH Semester.

10. Inclusion of 'Jablonski diagram' in Unit-IV of **CC-12** paper of 5TH Semester.

11. It was resolved to add specific organic compounds i.e. Alcohols, Aldehydes, Ketone, ~~Acids~~ carboxylic Acids in **CC-14** (Unit-1) 6TH Semester paper.

4. The names of Examiners for the Semester Examination (Theory and Practical) for session 2018-2019 were changed and the final list was prepared and submitted.

The following resolutions were unanimously adopted by the Board of Studies of Chemistry

1. The CBCS Syllabus prescribed by Utkal University for admission batch 2017-18 will remain unchanged.
2. The CBCS Syllabus prescribed by Utkal University for admission batch 2018-19 will also remain unchanged. However Jablonski diagram will be included in 5th semester Chemistry Honours CC-XII paper as it is essential part of molecular spectroscopy.
3. The CBCS Syllabus prescribed by Utkal University for Admission Batch 2019-20 will remain intact but Jablonski diagram will be included in 5th semester Chemistry Honours CC-XI paper in molecular spectroscopy II.
4. It was also resolved to perform 6th semester practical (mixture analysis) in the morning session as time period available for even semester are less.
5. Spectrophotometric titration to be done by absorbance method or by doing titration manually followed by absorbance measurement.
6. Green chemistry manual to be used for green chemistry practical.
7. The names of Examiners for the semester examination (theory and Practical) for session 2019-20 were finalised and submitted.
8. The List of names for question setters and moderators for Chemistry were finalised and submitted.

Board of Study meeting for the admission
 month 2014 held on 27.02.2015 at 11 am. in Ramanujan
 Bhavan in the Dept. of Mathematics in the presence of the
 following members of the Board of Studies by the Chairman
 Slip of HOD Mathematics Sri Talochan Satena. The views
 and suggestions taken in the meeting is resolved for the
^{degree} to students taking admission in 2014 which is ^{passed} attached in a
 separate sheet with the signature of the members of
 Board of Studies Present. The points outlined are

1. Though there is a full paper (Paper VIII) of 100 marks Practical,
 there is no provision for math lab. This is a matter of great
 concern to conduct Practicals without running the Program-
 me in the Caputo's Lab or without having knowledge of concepts.
 It is suggested that for the benefit of the students, math lab.
 may be set up as early as possible to avoid lapses
 in conducting Practicals with a technical staff head. The
 prescribed courses for the math Pass/Hons/Maj Elective/inter
 Elective are up to mark and remains unchanged
 with additional of simple examples from Gauss's
Storries & Green's theorems in Paper III of second year
 in advanced Calculus in unit VI. views and suggestion
 is attached as annexure-1.
 The meeting ended with vote of thanks.

The chairman is authorized to ^{prepare} completely

(2) Prof (Dr.) C. K. Dash advised all the faculty to make themselves synchronised well with the new CBCS system. He gave emphasis to develop a practical module of all Hon's practicals by sharing the knowledge of each other in the department.

(3) The developed module is to be ventilated among the students for reference.

(4) Computer based practicals may be done by the outsourced personnel in the beginning & gradually the faculty members may be trained up to handle independently.

(5) Both long term & short term action plan will be prepared to develop the infrastructure for the requisite laboratory.

(6) Lab. manuals for all practicals is to be developed so that the students can get advantages of that.

(7) Alternative notes for a particular experiment may be developed so that the same expt. can be done in different ways & means.

(8) There should be constant interaction among the faculty members regarding sharing of knowledge in both practical & theory.
