Comments :

Note 01.

The Difference of Rs. 43500.00 has been carry forward from the FY 2018-2019.

**Advance**

As per Subsidiary Rule 37 of Odisha Treasury Code (OTC) Vol. I., The prepared accounts are required to be checked and passed by the Principal, being the DDO of the college. Further, as per Finance Department Notification, each item of outstanding advances as appearing in the cash book of the DDO is analyzed and adjusted within one month of disbursement, failing which, the salary of the Government servant concerned should be withheld. Subsidiary Rule 509 of OTC Vol.-I, envisages that the advance register should be reviewed frequently by the DDO to ensure that all the advances are cleared by adjustment without delay. Non-adherence not only results in understatement of actual expenditure but also fraught with the risk of improper and irregular utilization of the advance so drawn. Continued non-adjustment over a long period is also fraught with the risk of misappropriation and embezzlement.

**Recommendation:-**The local authority is advised to take special drive for adjustment of advance.

Note.

1. The college is not maintaining the U.C Register , so that we advice to the authority to maintain the UC Register and produce to next audit.

**Comments :**

One of the facets of prudent financial management and reporting by an implementing agency is to make effective utilization of funds and prompt submission of Utilization Certificates in support of such expenditure. As per Rule-173 of OGFR Volume-I read with F.D. L.No.8437/F dt. 6.3.2012, the U.C should be furnished only after incurring actual expenditure.

It would be seen from the above table that the pending position of Utilization certificates is raising up year to year and reached at an alarming stage. It may be pointed out that pendency of UCs involves the risk of losing fresh grants from sanctioning authority On issue of audit objection memo the local authority replied that steps are being taken to submit the UCs very soon and it is noted for future guidance.

**Recommendation:-** Hence the Local Authority is advised to take special drive for clearing up the said pendency by submitting UCs to proper quarters and compliance reported

**20.1 - Remarks On Maintenance of Account**

The institution is not maintaining ledger accounts. The college is not reconciling the bank accounts. It should be done on a regular basis of all bank accounts. The advance ledger is not maintained properly and advance ledger should be maintained cash book wise. The overall maintenance of accounts of the institution is far from satisfactory. Considering the volume of transaction, we suggest to computerize the accounts. Further steps should be taken to educate the accountant.

As a result of this Audit transactions involving a sum of Rs are held under objection which include an amount of Rs suggested for recovery. Besides, a sum of Rs 0 was recovered at the instance of audit. The details are furnished in the following tables.

1. Due to Non availability of Bank Pass Book/ statement for the SBI Bank Account No 11383102302 & 11383056386 of Plus 3 Cash Book & UGC Cash Book respectively, we could not provide the closing balance as per bank pass book and also we could not reconcile the above bank a/c for the f.y 2015-16. They explained us that the above two accounts were non operative and Govt audit team advised them to minimise the number of accounts in different banks and accordingly the above accounts has been closed on 29/04/2016, while closing the accounts they have submitted the passbooks & unused cheques to the banks. Similarly we could not provide the closing balance of pass book & reconciliation statement for the SBI bank A/c no 110445444427 due to non availability of Bank pass book/ statement in the f.y 2017-18.

2. On 11-1-16 Rs.4275/- has been shown deposited into bank as per cash book but the same has not been deposited into the bank which has been raised by memo no 7 dt 20/3/19 during the course of our audit which has been clarified subsequently. The same has been dealt at Para5- of AR No-124306/2015-16, Rs 4275.00 deposited on 13-03-2015 and not taken into cash book during 2014-15.

NO DIVERSIFICATION OF GRANTS DURING THE YEAR.

**Note :**

Since the previous year audit not yet completed and the college is not maintaining a separate grant wise register, we are completing our audit taking opening balances as the Cash Book figure for the Financial Year 2017-18.

Since the college is receiving a number of grants, a separate grant wise ledger account to be maintained showing their receipt, utilisation and balance.
